| Sr. No. | Name of Chemical  | Name of Company | Sr. No. | Name of Chemical  | Name of Company |
|---------|---|-----------------|---------|---|-----------------|
| 1       | Xylene ER- 2.5 L  | Qualigen        | 18      | Micropipette tips (10-200 ul) (1000 No. x01)            |                 |
| 2       | Hematoxyline staining powder- 5.0 gm                              | Qualigen        | 19      | Micropipette tips (100-1000 ul) (1000 No. x01)          |                 |
| 3       | Eosin yellow water soluble – 25 gm                                | Qualigen        | 20      | Eppendorf tube (1.5 ml) (1000 No. x 01)                 |                 |
| 4       | Giemsa stain- 100 mL  | Qualigen        | 21      | Tri-iso reagent (Trizol)                                | Takara          |
| 5       | Leishman Stain-250 mL   | Qualigen        | 22      | EDTA vials (plane) (100 no.)                            |                 |
| 6       | Paraffin wax (58 <sup>0</sup> -60 <sup>0</sup> C) non caking-2 kg | Qualigen        | 23      | PCR tubes (0.2ml)                                       |                 |
| 7       | Formaldehyde Solution 37-41% (5 L x 01)                           | Qualigen        | 24      | IND MiX Solvent (Ethanol) (500ml)                       |                 |
| 8       | Microscope Cover glass (22x40 mm)-1pkt                            | Blue star       | 25      | Isopropanol molecular grade                             |                 |
| 9       | Microscope Cover glass (22x22 mm)-1pkt                            | Blue star       | 26      | Phenol Saturated Mole. Grade-100ml                      |                 |
| 10      | Glass slides fine polished edges, plain-1pkt                      | Blue star       | 27      | Chloroform Mol. Grade-100ml                             |                 |
| 11      | Methanol (2.5 L)  | Qualigen        | 28      | Isoamyl Alcohol Mole. Grade                             |                 |
| 12      | DPX Mountant (For Microscopy) 250 ml                              | Qualigen        | 29      | Primer per base   |                 |
| 13      | Lactophenol cotton blue stain- 100 mL                             |                 | 30      | Nucleotide sequencing per base                          |                 |
| 14      | Gram stain Kit  | Himedia         | 31      | Purification of PCR amplicons/samples                   |                 |
| 15      | ZN acid fast stain kit  | Himedia         | 32      | Reverse Transcriptase Kit (100Rxn) (cDNA Synthesis Kit) | Takara          |
| 16      | Hand gloves (Molecular Biology grade)- Nitrile                    |                 | 33      | Proteinase K for molecular biology & PCR                |                 |
| 17      | Micropipette tips (1-10 ul) (1000 No. x01)                        |                 |         |   |                 |

Thank you

(P.T.O.)

**Note:**

- 1) The right to accept whole or part of quotation or reject is reserved with the undersigned without assigning the reason thereof
- 2) Quotation must reach this office on or before 04.09.2025
- 3) The supplier should provide undertaking that the firm has no relation with purchasing agency (hamipatra) and had submitted only one quotation for specific purpose
- 4) Prices should be inclusive of all taxes and freight/transportation charges for COVAS, Akola and applicable up to 31.03.2026
- 5) Quotation must be on Letter head of firm as per our specifications of item make / quality/ size etc. as mention in the quotation calling letter
- 6) Copy of Pancard, GST certificate should be provided.
- 7) Quotation envelope should mention **"Quotation for chemicals, glasswares and plastic wares"** with attention to Department of Veterinary Pathology, Associate Dean, COVAS, Akola on the top of envelope.
- 8) The quotation should be sent in the name of "Associate Dean, COVAS, Krushinagar Akola" PIN-444104 Maharashtra

  
Associate Dean
