3. LIBRARY

College Library (digital): Yes

Facilities available at Library:

Sr. No	Type of material	Description of material/Units	Application
1	Book	2889	Available for issue and return to staff and students
2	Online Journals Foreign and Indian Facility		Free access for students and staff through URL- www.cera.jcc.in/http://jgateplus.com College IP Authenticated journals can be accessed through college network www.indianjournals.com Electronic and print journals subscribed by the university library in the financial year 2017-18
3	Other Publications(Thesis & Vol)	380	Available for staff and students for reading in library
4	Online Public Access Cat log (OPAC)	Online database of materials held by a library	Users can search books and other reading materials available at library
5	Electronic Database	e-books in C.D. Form 22	Available for students and staff of the college
6	Internet facility	Broadband internet facility with 2 mbps speed with Wi-Fi system	This facility is useful to the students for access of journals, book, CeRA journals, Vet Med Resources database and selected CD ROM database available in the library
7	Reprographic services, printings, scanning, lamination, Spiral binding	Reprographic unit, Scanner, Lamination and Spiral binding	Photocopy, printing, scanning, lamination, spiral binding of reading materials for students and staff on payment basis
8	Reading Hall	One	Staff and Students reading the book.

Library Holdings

11. EMPLOYABILITY

In order of Student Development and fostering their intellect and character, the College provides a wide range of educational experiences through various programs and activities that are complement and also support the academic experience. Institute conducts Induction/ Orientation Programme for newly admitted students. Student development is performed through the proper counseling personally through the advisory system and by providing internet connectivity and Library facility arranging lectures of imminent personalities. By participating in co-curricular and extra-curricular activities by sending the students in technical competition like paper presentation, model presentation, in various indoor and outdoor games, debate competition and cultural programmes. A placement cell is formed through which students are helped for their placement in private organizations. A Students placement cell is functioning at college level that facilitates students in seeking suitable jobs.

English	Summary (In brief)	:	In the present study, the total 60 sessions were carried out in which three different vacuum pressure (80, 90 and 100 mmHg) was used. The average oocytes recovery by using 100 mmHg was higher, however, there was no significant difference between 80 mmHg, 90 mm Hg and 100 mm Hg vacuum pressure for

			ovum pick up. Out of 114 recovered oocytes, 38 A quality oocytes were matured and fertilized out of which 31 oocytes were in good condition. From fertilized oocytes, 9 oocytes were cleaved at 2-4 cells stage, 4-8 cells stage, 8-16 cells stage and 16-32 cells stage were 2, 0, 4 and 3 observed respectively. Out of 114 recovered oocytes, 24 B quality oocytes were matured and fertilized out of which 19 oocytes were in good condition. From fertilized oocytes, 4 oocytes were cleaved at 2-4 cells stage, 4-8 cells stage, 8-16 cells stage and 16-32 cells stage were 1, 1, 2.
